Bio – Mr. Lawrence joined Green Contracting Company in 2019 as the BIM Manager.

At Green Contracting, Mr. Lawrence directly oversees the CADD department. He develops, manages, and implements Revit modeling content for coordination and fabrication and provides BIM support and content to estimating, operations, fabrication shop and field installation teams. Mr. Lawrence also develops, implements and monitors standards for modeling practices, deliverables, project lifecycle workflow, and Revit training documentation.

David is continuously analyzing the latest technologies and abilities of software to further improve our project delivery process.
