| ABC Apprenticeship Program

Journeyman Plumbing License, 2014

Graduated at top of class with 95% average

Bio - Mr. Stroupe joined Green Contracting in 2011 as a fire watch, his interest in the trade and willingness to learn was immediately recognized so he was enrolled in the ABC Apprenticeship Program. Mr. Stroupe graduated in April 2014 at the top of his class with a 95% average, he was chosen to compete in the Maryland State Pipe Fitting Competition where he took first place. His win took him to Ft. Lauderdale, Florida for an all-expense paid trip to compete against the best pipe fitting apprentices from around the country.

Through the years, Mr. Stroupe has continued to excel and his experience in the fabrication shop coupled with his detail oriented organizational skills made him an obvious selection as a QA/QC representative. In 2020, Mr. Stroupe officially took on the role of QA/QC Manager.

At Green Contracting, Mr. Stroupe oversees all code work and completes all of the required documentation and testing. He reviews specifications for each project to ensure all material meets project requirements. Mr. Stroupe also receives and inspects materials upon delivery, he generates weld maps/spool drawings for prefabrication, and develops test packages.
