| Bio - Mr. Florczyk joined Green Contracting in 2021 as a BIM Coordinator. His attention to detail, strong work ethic, and constant desire to grow earned him a lateral move into Project Management while continuing to provide BIM support for large projects.

At Green Contracting, Mr. Florczyk utilizes BIM models to generate spools and bill of materials for Systems. He procures materials for shop fabrication and jobsite installations. Additionally, he manages project documents including submittals, Requests for Information, Purchase Orders and Change Bulletins. Mr. Florczyk also documents project progress with photographs.
